

IMPORTANT INFORMATION

How does the waste system work in St. Gallen?

Please do only use **fee-paying waste bags of the city of St. Gallen**. You can buy these at every supermarket. They can be disposed of at any time in the underfloor container (red marks) opposite the Migros supermarket.

Please pay attention to the regulations and keep our neighbourhood tidy. We highly appreciate your collaboration.

Further information regarding special wastes can be found on the homepage of the city of St. Gallen.

<https://www.stadt.sg.ch/home/raum-umwelt/abfall-entsorgung.html>

You can also dispose of paper and cardboard here in the boarding house in basement 2.
