

Smoking is forbidden at Boardinghouse!

There is a strictly non smoking policy at the whole Boardinghouse. Our smoke detectors are activated in all the flats as well as all public areas.

Cooking is fine, as long as nothing burns heavily.

!!! Please do also refrain from smoking e-cigarettes or vapour cigarettes in your flat.

If you cause an alarm that requires a deployment of the fire brigade, you will be held responsible and therefore have to pay for it.

If there is a use of sirens, we request all the tenants to leave the Boardinghouse immediately via the escape routes. Please do not use the elevators.

Meeting point in case of an alarm:

Opposite entrance **A** (Füger) under the glass roof of the entrance at Ulmenstrasse 6.

Thank you very much for your efforts in keeping our Boardinghouse and its surroundings clean and safe.

The Boardinghouse-Team!
